

Product Fact Sheet:  
**Elkay® Smartwell® Beverage Dispenser**

**Product Overview**

Bringing flavor and fun to offices, boutiques, waiting rooms and hotels, the eco way. The intuitive Smartwell® beverage dispenser gives users the option to create their own custom beverages on demand. With an easy to operate touch screen, users can mix and match fruit flavors and add enhancements to fresh water — still or sparkling. Saving the environment, money and storage space, Smartwell is a smart beverage dispenser.

**Key Smartwell Beverage Dispenser Features:**

- **Touch Screen Interface:** Intuitive touch screen is simple to operate.
- **Water Your Way:** Mix and match two fruit flavors at a time or choose a single flavor to create your own custom beverage.
- **H2O Options:** Still water or sparkling water; zero calorie, natural fruit flavors and sweetener; electrolyte, vitamin C and caffeine enhancements.
- **Fresh, Filtered Water:** Unit features WaterSentry® filters that are NSF/ANSI 42 and 53 certified for reduction of lead, particulate, chlorine, taste and odor.
- **Smart Refill:** Connected system tracks usage and sends alerts when flavors and enhancements are low and ships replacement pouches as needed.
- **Healthy Hydration:** Provides a healthy alternative to high-calorie, sugary beverages.
- **Eco-friendly:** Multiuse pouches reduce waste from single-use plastic bottles and aluminum cans.
